DISCLOSURES: MJ Settlements, Inc. facilitates the acquisition of structured settlement payments, commonly referred to as Secondary Market Annuities or Inforce Annuities. Customers are purchasing the rights to specific structured settlement payments, not annuity contracts. Despite the term "annuity" being used, MJ Settlements is not buying or brokering annuities or annuity contracts. The payment streams described above are transferred via court-ordered assignment under applicable state Structured Settlement Protection Acts. MJ Settlements does not provide legal, financial, or tax advice; please consult a qualified professional for guidance on your individual situation. No 1099 is issued; investor self-reports income. Pricing and availability subject to change until funded.
